## Beyond Trauma

*A ground-breaking book on resolving the effects of traumatic incidents*

ANN ARBOR, MICHIGAN—*Beyond Trauma: Conversations on Traumatic Incident*

*Reduction (TIR)*, edited by Victor R. Volkman, is unique in that it addresses both people suffering from the effects of traumatic stress and the practitioners who help them.

This method has been effective in dealing with many areas of trauma, including Post-Traumatic Stress Disorder (PTSD), in such diverse groups as veterans, children, 9/11 survivors, motor vehicle accident and sexual abuse survivors. TIR is a brief, one-on-one, non-hypnotic, person-centered, simple, and highly structured method for permanently eliminating the negative effects of past traumas. You will learn about TIR from world-renowned experts in traumatology including Windy Dryden, Ph.D., Joyce Carbonell, Ph.D., and TIR's developer Frank A. Gerbode, M.D. *Beyond Trauma* highlights stories of TIR helping survivors to regain control of their lives.

This volume will be life changing not only for survivors of traumatic incidents but also for the professionals committed to helping them.

“Not in 30+ years of practice have I used a more remarkably effective clinical procedure.” —Robert H. Moore, Ph.D.
